

Bowmanville Avenue (Regional Road 57) and Regional Road 3/ Concession Road 8 in the Municipality of Clarington

Notice of Construction

Works Department

March 21, 2023

Public Notice 1

The Regional Municipality of Durham will begin the reconstruction of the Bowmanville Avenue (Regional Road 57) and Regional Road 3/Concession Road 8 intersection in the Municipality of Clarington. The limits of the work include Bowmanville Avenue (Regional Road 57) from 300 metres north to 270 metres south of Regional Road 3/Concession Road 8 and on Regional Road 3/Concession Road 8 from 300 metres west to 200 metres east of Bowmanville Avenue (Regional Road 57), as shown on the attached map. Work includes construction of a roundabout with road realignment and widenings, curb and gutter, median splitter islands, centre circle island, asphalt paving, storm sewer and street lighting.

Construction Schedule

The Region's contractor, **Hard-Co Construction Ltd.**, will begin mobilizing the week of April 10, 2023 and anticipates completing the work by November 2023.

Intersection Traffic Control

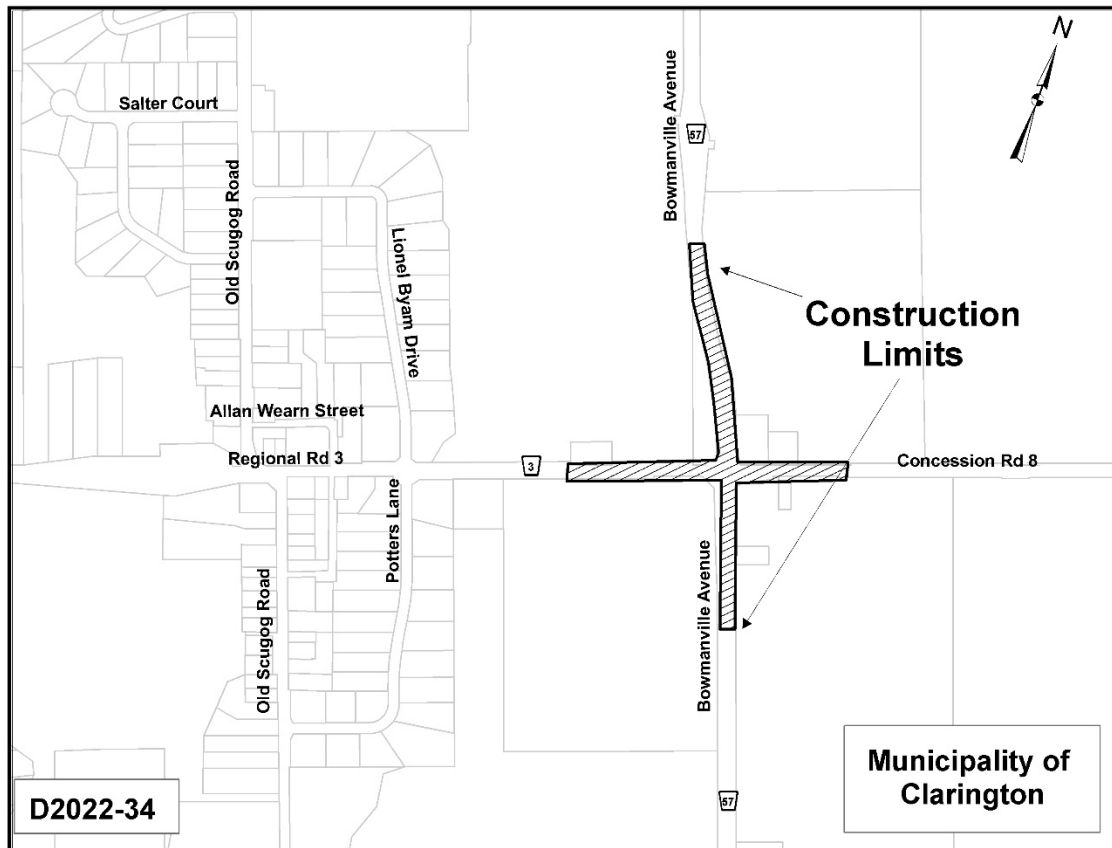

The existing temporary traffic signals will be decommissioned in early stages of construction and the intersection will operate in a temporary all-way stop control. Once construction has advanced, the stop control will be removed, and the intersection will be opened as roundabout yield control.

Road Closures and Lane Restrictions

The intersection will be closed in stages as part of the construction sequencing. Further advance public notices will be provided to detail dates and closure limits. Access for local traffic and emergency vehicles will be maintained through the signed detour routes.

Lane restrictions will occur through the duration of construction. Local residents should expect traffic delays and are asked to exercise additional caution for the safety of the construction workers. Access to residential driveways will be maintained whenever possible. Notification will be given to residents if vehicles need to be moved out of the driveway.

Municipal construction projects include the use of equipment which may cause noticeable noise and vibration for nearby residents and businesses. The Region realizes that the construction work will be disruptive and will make every effort to complete the work as quickly and efficiently as possible.

Further information and future updates will be posted on durham.ca/BowmanvilleAveRoundabout. Should you have any questions or concerns, please contact the following staff member from the Regional Municipality of Durham, Works Department:
