

Lake Ridge Road (Reg. Rd. 23) rehabilitation from Myrtle Road to 1.6 kilometres north of Chalk Lake Road, in the Town of Whitby, City of Pickering, Township of Scugog, and Township of Uxbridge

Notice of Construction

Works Department

April 17, 2023

Public Notice 4

The Regional Municipality of Durham, in cooperation with the Town of Whitby, City of Pickering, Township of Scugog, and Township of Uxbridge, is rehabilitating Lake Ridge Road from 100 m north of Myrtle Road to 1.6 kilometres north of Chalk Lake Road. The work includes asphalt pulverizing, excavation, grading, drainage, storm sewer installations, culvert replacements, granular base, curb and gutter, hot mix paving, roadway illumination, pavement markings and signage.

Construction schedule

The Region's contractor, Green Infrastructure Partners Inc (GIP Inc.) will be remobilizing the week of April 17, 2023, to complete the remaining work by September 2023.

GIP Inc. will be closing access to Lake Ridge Road from north of Concession Road 9 / Myrtle Road to south of Townline Road to safely complete the installations of several deep cross culverts from Friday April 28, at 7 p.m. to Monday May 1, at 6 a.m. If unfavourable weather occurs, this closure may be extended.

Residents should expect minor traffic delays and are asked to exercise additional caution for the safety of the construction workers. Access to residential driveways will be maintained whenever possible. Notification will be given to residents if vehicles need to be moved out of their driveways.

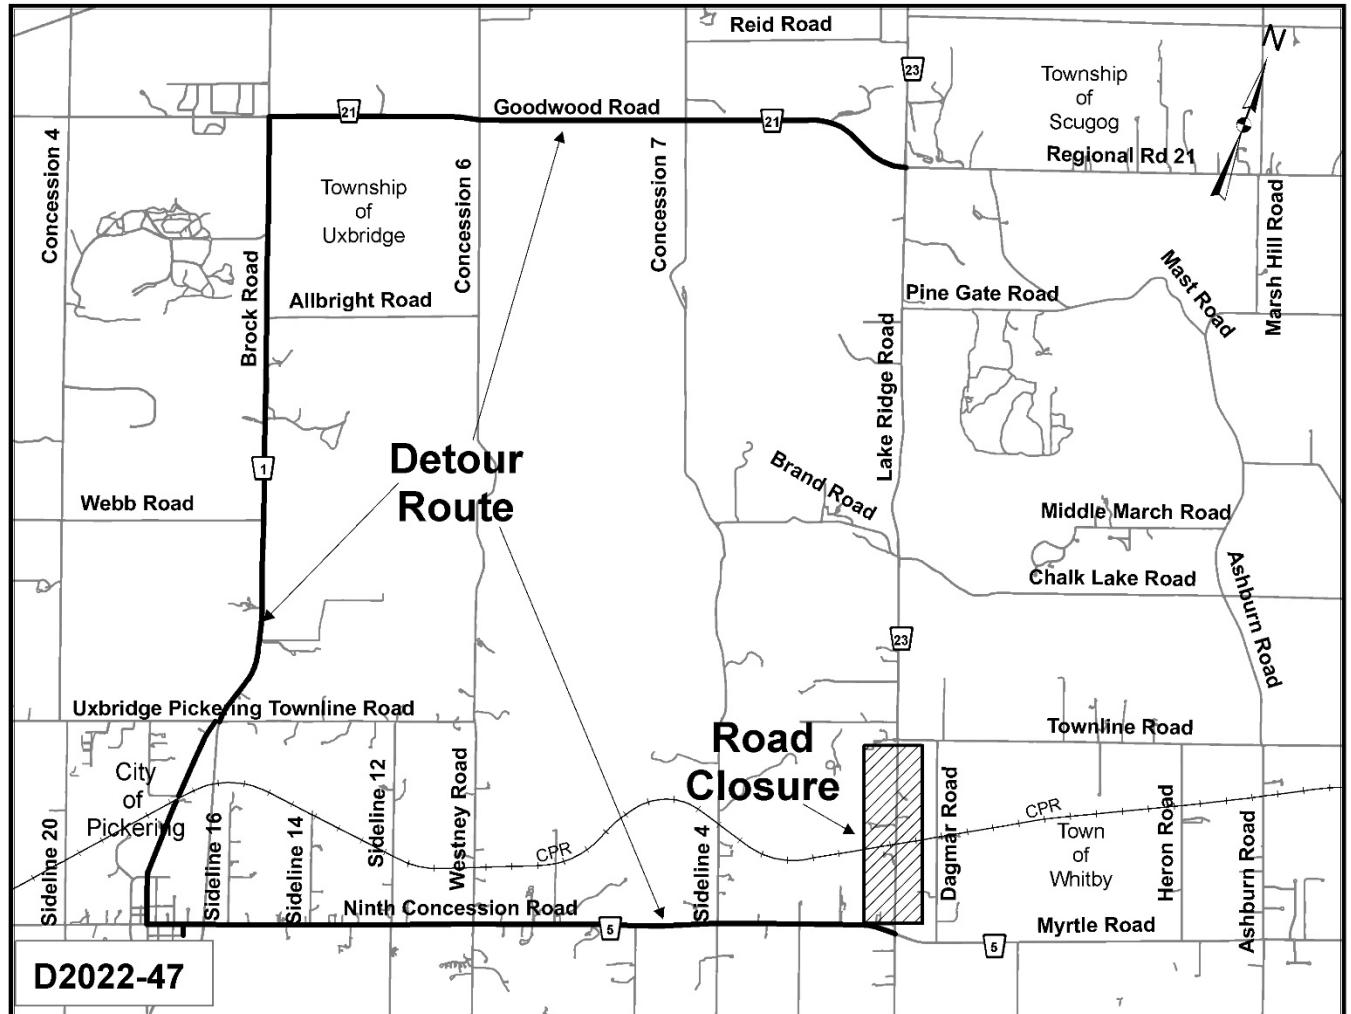

Municipal construction projects include the use of equipment which may cause noticeable noise and vibration for nearby residents and businesses. The Region realizes that the construction work will be disruptive and will make every effort to complete the work as quickly and efficiently as possible.
