

# Lake Ridge Road (Reg. Rd. 23) rehabilitation from Myrtle Road to 1.6 kilometres north of Chalk Lake Road, in the Town of Whitby, City of Pickering, Township of Scugog, and Township of Uxbridge

## Notice of Construction

---

**Works Department**

**April 18, 2023**

**Public Notice 5**

---

The Regional Municipality of Durham, in cooperation with the Town of Whitby, City of Pickering, Township of Scugog, and Township of Uxbridge, is rehabilitating Lake Ridge Road from 100 m north of Myrtle Road to 1.6 kilometres north of Chalk Lake Road. The work includes asphalt pulverizing, excavation, grading, drainage, storm sewer installations, culvert replacements, granular base, curb and gutter, hot mix paving, roadway illumination, pavement markings and signage.

### **Construction schedule**

The Region's contractor, Green Infrastructure Partners Inc (GIP Inc.), will be closing access to Lake Ridge Road (Regional Road 23) south of Chalk Lake Road to Townline Road to safely complete the replacement of the storm sewers from May 1 at 6 a.m. to June 5 at 6 a.m. Traffic detours will be established directing traffic from Regional Road 21 (Goodwood Road) to Myrtle Road (Ninth Concession Road) using Brock Road (Regional Road 1). If unfavourable weather occurs, this closure may be extended.

Residents should expect traffic delays and are asked to exercise additional caution for the safety of the construction workers. Access to residential driveways will be maintained whenever possible. Notification will be given to residents if vehicles need to be moved out of their driveways.

Municipal construction projects include the use of equipment which may cause noticeable noise and vibration for nearby residents and businesses. The Region realizes that the construction work will be disruptive and will make every effort to complete the work as quickly and efficiently as possible.
