

Thorah Concession Road 5, in the Township of Brock

Watermain Construction

Works Department

October 19, 2022

Public Notice 1

The Regional Municipality of Durham will be completing watermain construction on Thorah Concession Road 5 from Cedar Beach Road to the Lake Simcoe Water Pollution Control Plant entrance. The work will include installation of a 300 millimetre diameter PVC watermain and includes micro-tunnelling operations under the Canadian National Railway tracks.

Construction Schedule

The Region's contractor **North Rock Group** will be mobilizing the week of November 7, 2022 and anticipates completing the work by mid-July 2023. Unfavorable weather conditions may influence the work schedule.

Lane Restrictions and Road Closure

Thorah Concession Road 5 will be reduced to one lane of traffic as required to accommodate the construction. The road will be closed at the tracks starting from March to June 2023.

Municipal construction projects include the use of equipment which may cause noticeable noise and vibration for nearby residents and businesses. The Region realizes that the construction work will be disruptive and will make every effort to complete the work as quickly and efficiently as possible.

Further information and future updates will be posted on durham.ca/Thorah. Should you have any questions or concerns, please contact the following staff member from the Regional Municipality of Durham, Works Department:
