

Simcoe Street South (Regional Road 2) road reconstruction/rehabilitation from Olive Avenue to north of Metcalfe Street, in the City of Oshawa

Notice of Construction

Works Department

September 5, 2023

Public Notice 2

The Regional Municipality of Durham will begin construction for the replacement of watermain, sanitary and storm sewers, services connections, road reconstruction, and pavement rehabilitation on Simcoe Street South (Regional Road 2) from Olive Avenue to 20 metres north of Metcalfe Street in the City of Oshawa, as shown on the attached map.

Construction schedule

The Region's contractor, **Hard-Co Construction Ltd.**, will begin mobilizing the first week of September 2023. Work is expected to be completed by fall 2024. Unfavorable weather conditions may influence the work schedule.

Lane restrictions and road closures

Traffic will be reduced to one lane in the northbound direction on Simcoe Street South (Regional Road 2) as part of the construction staging. Local residents should expect minor traffic delays and are asked to exercise additional caution for the safety of the construction workers. Durham Region Transit routes, bus stops and pedestrian access will be maintained within the construction limits.

Future road closures will occur and further advance Public Notices will be provided to detail dates and closure limits.

Municipal construction projects include the use of equipment which may cause noticeable noise and vibration for nearby residents and businesses. The Region realizes that the construction work will be disruptive and will make every effort to complete the work as quickly and efficiently as possible.

Businesses

Businesses will remain open for the duration of construction. The Region recognizes there may be potential impacts during the work. Durham Region offers an overview of what businesses can expect during construction, and some tips on how to minimize inconvenience on your business, at durham.ca/OpenForBusiness.

Parking

On street parking will not be permitted during construction and lane restrictions on Simcoe Street (Regional Road 2).

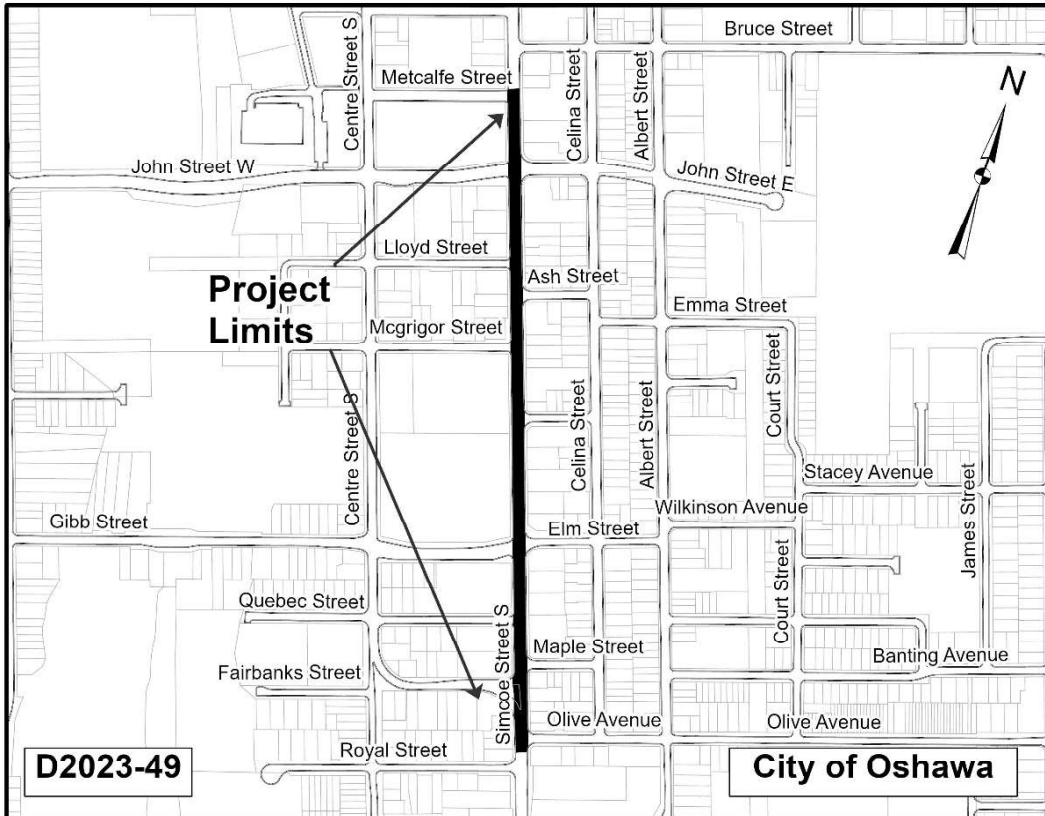

Temporary water service interruptions

The contractor will also be installing a temporary water system. During this work, residents will experience intermittent water supply interruptions. The contractor will notify impacted properties at least 24 hours in advance of any required service interruptions to give residents time to prepare.

Further information and future updates will be posted on durham.ca/SimcoeStreetWatermain. Should you have any questions or concerns, please contact the following staff member from the Regional Municipality of Durham, Works Department:
