

Westney Road North from north of Rossland Road West to north of Taunton Road West and Taunton Road West east of Westney Road, in the Town of Ajax.

Notice of Construction

Works Department

November 24, 2021

Public Notice #2

The Regional Municipality of Durham will begin the reconstruction and widening of Westney Road North (Regional Road 31), from north of Rossland Road West to north of Taunton Road West (Regional Road 4), and Taunton Road West from Westney Road to 220 metres east of Westney Road in the Town of Ajax, as shown on the attached map.

Construction Schedule

The Region's contractor, Esposito Bros. Construction Ltd., mobilized the week of November 15, 2021. Work is expected to be completed by June 2023. Unfavourable weather conditions may influence the work schedule.

Lane Restrictions & Road Closures

Westney Road and Taunton Road will remain open to one lane of traffic in each direction, and periodic lane restrictions may occur. Pedestrian access and Durham Region Transit routes and bus stops will be maintained within the limits of construction. Access for local traffic and emergency vehicles will be maintained at all times.

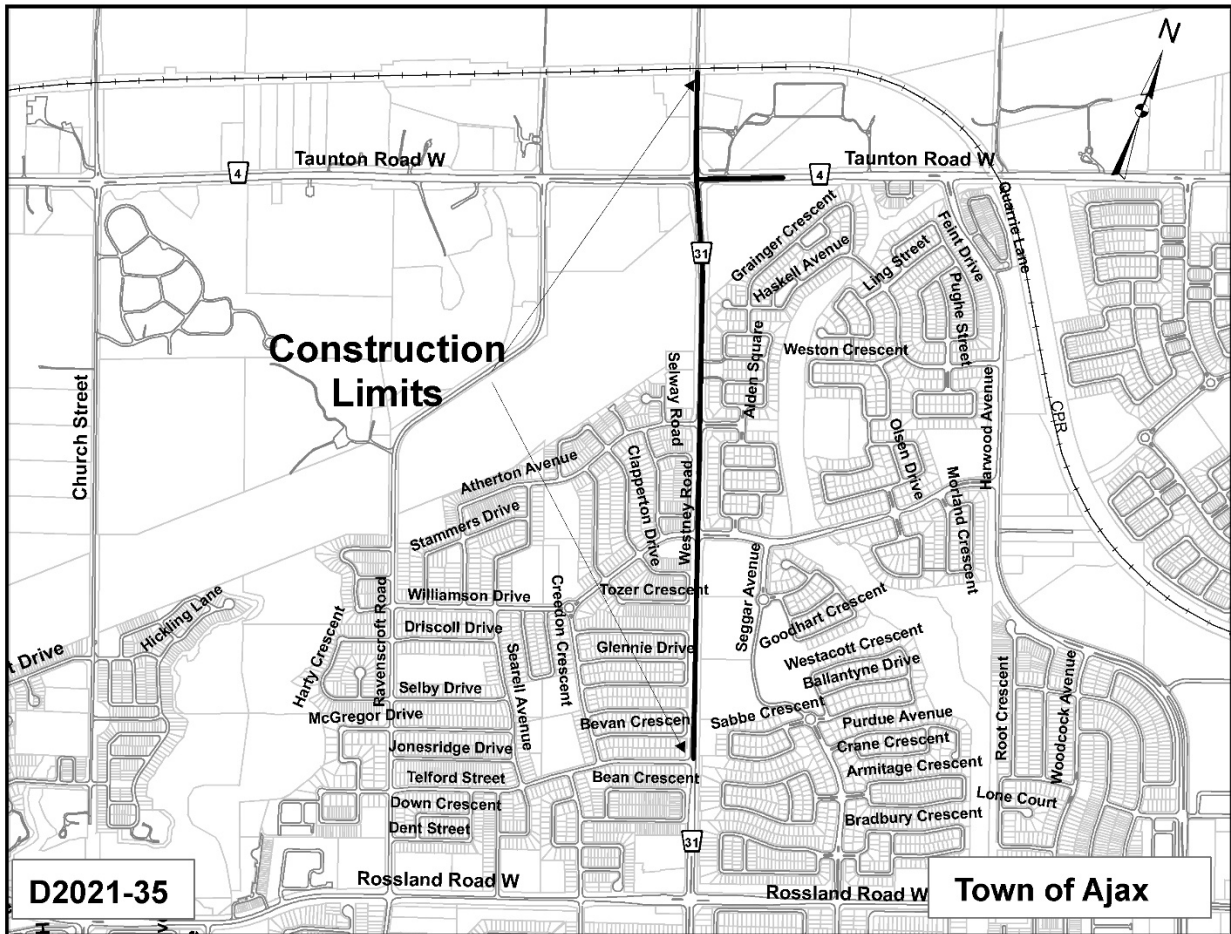

A road closure of Westney Road North from Taunton Road to approximately 300m north will be required to accommodate the construction. Further advanced Public Notices to confirm closure dates and detour routes will be provided.

Local residents should expect minor traffic delays and are asked to exercise additional caution for the safety of the construction workers. Access to residential driveways will be maintained whenever possible. Notification will be given to residents if vehicles need to be moved out of the driveway.

Municipal construction projects include the use of equipment which may cause noticeable noise and vibration for nearby residents and businesses. The Region realizes that the construction work will be disruptive and will make every effort to complete the work as quickly and efficiently as possible.

Businesses

Businesses will remain open for the duration of construction. The Region recognizes there may be potential impacts during the work. Durham Region offers an overview of what businesses can expect during construction, and some tips on how to minimize inconvenience on your business, at durham.ca/OpenForBusiness.
